

## Safety-Endangering Activities Prohibited at the Luye Plateau Launch Site, Longtian Landing Zone, and Taipingshan Launch Site in Taitung County

1. To protect the safety of tourists, these prohibitions are prescribed under Article 64, paragraph 2 of the Act for the Development of Tourism, by the East Rift Valley National Scenic Area Administration (hereinafter, the "Administration"), Tourism Bureau, Ministry of Transportation and Communications.
2. The safety-endangering activities listed below are prohibited within the areas of the Luye Plateau launch site, Longtian landing zone, and Taipingshan launch site in Taitung County, unless application has been made to and approval received from the Administration, or as is necessary for purposes of governmental business or emergency rescue, or as otherwise authorized by law or regulation:
  - (1) Engaging in flying activity.
  - (2) Any activity affecting the safety of any other person in the areas referred to in this Point.

The Administration will not grant approval for activity of any of the following descriptions:

- (1) Engaging in flight activity without proper training and without a qualifying and valid flying license.
  - (2) Engaging in flight activity carrying passengers.
  - (3) Flying alone without the guidance of a controller and a coach.
  - (4) Engaging in flying activity without full and proper equipment.
3. Anyone who violates any provision of the above mentioned shall be fined between NT\$5,000 and NT\$1,000,000 under Article 64, paragraph 2 of the Act for the Development of Tourism.
