

Common Questions: Paragliding

No.	Question Title
1	What are the Non-powered Flight Sports sites around Luye?
Response Content	
Our Administration manage the following 4 paragliding sites: (1) Luye Plateau Launch Site - approximately 365 meters above sea level, with an area of approximately 607 square meters, suitable for personnel with P3 (Intermediate) level flight license or above. (2) Longtian Landing Zone - approximately 200 meters above sea level, with an area of approximately 50,332 square meters, consisting of a large flat grassland. (3) Taipingshan Launch Site - approximately 896 meters above sea level, with an area of approximately 15,000 square meters, suitable for personnel with P4 (Advanced) level flight license or above. (4) Luye Plateau Landing Zone - approximately 365 meters above sea level, with an area of approximately 24,110 square meters, consisting of a large flat grassland.	
No.	Question Title
2	Are the Luye Plateau Launch Site and Longtian Landing Area open to the public?
Response Content	
These 2 sites are managed by our Administration. According to our January 15, 2024 announcement on " Safety-Endangering Activities Prohibited at the Luye Plateau Launch Site, Longtian Landing Zone, and Taipingshan Launch Site in Taitung County ", they are not open to the general public. Only individuals, agencies, organizations, or associations holding flight licenses may apply. If you have paragliding take-off and landing requirements, please complete the relevant information application at the Taitung County " Non-powered Flight Sports Sites " Usage Application page. Link: https://www.erv-nsa.gov.tw/zh-tw/online-apply/apply/5	

No.	Question Title
3	How can I apply to use the above locations?
Response Content	
There are the following application methods:	

(1) You can apply online at our Administration's [Official Website → Services → Online Applications → Taitung County " **Non-powered Flight Sports Sites** " in Taitung County]

(2) Link: <https://admin.taiwan.net.tw/ervnsa-en/BusinessInfoErvEn/Articles?a=22831> OR <https://www.erv-nsa.gov.tw/zh-tw/online-apply/apply/5>

Review documents include the application form, original letter of undertaking, copy of identification documents, copy of flight license (F.A.I. license P3 level/Intermediate level or above), and original proof of specific activity insurance coverage, totaling 5 documents. After approval, you may obtain the gate key from the Luye Management Station(Visitor Center) counter before your activity and return it ~~after~~ **on the day of** use.

P3 level/Intermediate level (or above) flight license and original proof of specific activity insurance coverage, totaling 5 documents. After approval, you may obtain the gate key from the Luye Management Station(Visitor Center) counter before your activity and return it ~~after~~ **on the day of** use.

No.	Question Title
4	How can I learn paragliding and obtain a license?
Response Content	
You can contact the Administration of Sports, Ministry of Sports; Chinese Taipei Aerosports Federation; the Chinese Taipei Gliding Association; or Taitung Airfly sports Association of Taiwan for detailed information about training.	
No.	Question Title

5	I often see paid tandem paragliding experiences in the Luye area. Are these operators managed by the East Longitudinal Valley National Scenic Area Administration? Is their business legal?
Response Content	
Tandem flight operations by commercial operators constitute a commercial activity. If such operations fall outside the scope of properties leased and managed by the Administration, members of the public may contact the Business Management Section, Department of Economic Affairs, Taitung County Government (Tel: 089-326141) to verify whether the operator has legally applied for a business permit.	
No.	Question Title
6	How can I apply to use the Luye Plateau Launch Site large lawn and Longtian Landing Zone for events?
Response Content	
There are the following application methods: (1) Link: https://admin.taiwan.net.tw/ervnsa-en/BusinessInfoErvEn/Articles?a=22831 OR https://www.erv-nsa.gov.tw/zh-tw/online-apply/apply/5 (2) You can contact our Luye Management Station for site usage application forms. The review document contains three types of documents: application form, activity plan (detailing the background concept of the activity, process planning, venue allocation (layout), and safety maintenance), and public accident liability insurance, and submitted to our Luye Management Station, a formal approval letter will be issued upon successful review.
